

Graphic Designer (Internship Brussels)

At Naki, we aim at encouraging a more collaborative economy, where goods are shared instead of compulsively bought and abandoned after the first use. After successfully raising €3M, Naki Power aims to create a world where people have the opportunity to rent and return, to use a good only for the time they need it.

Starting in Europe with a network of shared powerbanks, Naki has the ambition to become a global leader in the sharing economy. To achieve this goal, we wish to reinforce our A-team with a handful of new rockstars, and among others we look for a Graphic Designer.

What will you do?

The Naki Design Team works as support for:

- Product Team
 - UX/UI & Visual Design
- Business Development & Sales
 - Branding
 - Presentation & Service design
- Marketing
 - Content Creation
 - Brand Awareness

We are looking for:

- Art direction fundamentals;
- Visual & Presentation design;
- Content Creation.

Responsibilities:

- Convert the Brand fundamentals in shareable graphic assets for communication purposes;
- Work with copywriters and creative director to produce final design;
- Develop illustrations, logos, animations and other designs using software or by hand;
- Understand the needs of the requirement to produce the best content.

You

- English + Dutch and/or French
- Proven graphic designing experience
- A strong portfolio of illustrations or other graphics
- Excellent communication skills
- A keen eye for aesthetics and details
- Tools:
 - Adobe Creative Suite, specifically Photoshop and Illustrator
 - Figma

What will you get?

- A chance to put into practice everything you've learned and see your own seed growing. Live the direct impact of your work;
- An opportunity to board a fast moving plane driven by a young but talented team of pilots, knowing where they go, but discovering on the way how to get there!
- An exposure to a network of incredible individuals within or outside the organisation;

Recruitment process

1. Screening **interview** to review your career goals, strength and weaknesses (30-45min);
 2. An in-house **interview** go through your background and skills - (1h to 1h30)
-

1. **Your Homework/Case** (not an interview): A business case that will challenge your understanding of our business brand book;

3. A third **interview** to review the case and challenge the cultural fit - (1h to 1h30);
4. **Our Homework**: A reference check performed by the hiring manager;
5. Job offer and review of the contract.
